Md. Farok Hossain

Frontend Developer

With 1.5 years of professional experience as a Web Developer, I specialize in building modern, responsive, and high-performance web applications using React, Next.js, and REST APIs. I have strong expertise in transforming Figma designs into pixel-perfect, user-friendly interfaces. Passionate about continuous learning, I am always eager to expand my technical skills and stay up to date with the latest web technologies and best practices.
